विषय Sub : Vendor approval for various gears related to Power electronics and controls- reg.

प्रिय महोदय Dear Sir,

We reviewed the credential of M/s Algonics Systems Pvt. Ltd as per Annexure-I for the supply/ development of various systems related to PFBR project which is mentioned below,

Conceptualization, design and development of

- Power electronics application for drives, UPS and other power systems
- Software for industrial automation and HMI system
- Microcontroller and FPGA based embedded system and communication systems

The related documents for the above are duly verified and evaluated technically. Based on testimony whereof M/s Algonics Systems Pvt. Ltd. is here by enlisted as an approved vendor by BHAVINI for the above mentioned gears. However the quality of their products/ service will be evaluated time to time and the subsequent continuation of this approval will be based on their satisfactory performance.
